

A Splendid Match

I believe it was about 7 years ago that Alfred (my husband) and I applied to you for a volunteer granddaughter and a wonderful match was made when Olivia was just 3 years old. She is now going on eleven! She is a lovely girl, very bright, does well in school and has many friends. She has brought much happiness into our home and her mother has told us how much she herself had gained from our relationship. We have done many activities together such as: painting, drawing, and playing imaginative games. We have danced together, played together and talked together. I want to thank Volunteer Grandparents for making such a splendid match. Your work is very important.
