

# Bridging Generations Spring 2007

## Annual General Meeting:

The 2006 Volunteer Grandparents AGM will be held on April 17th, 2007. This year, it will be jointly conducted with Volunteer Burnaby. Guest speakers include Karen Howe and Debbie Kennedy. They will do a short presentation on: Raising the Professional Profile of Managers of Volunteer Resources. Please join us, as it is a good opportunity to meet other volunteers and community members. Light refreshments will be served. RSVP to Veronica Spiess— 604-736-8271

## Our Website

Through a mentorship program offered by SFU, our non-profit organization has been selected by three talented students at Terry Fox Secondary for a website revamp! The students have begun redesigning and updating our website. I have viewed some preliminary designs and have been really pleased with their abilities. We look forward to seeing the final design.

## Our Stories

We are promoting our Organization throughout the Lower Mainland in order to provoke new participants to get involved. It would be helpful if our members, volunteers, and families would help promote our non-profit by word of mouth. Please share your personal stories of positive intergenerational connections that you have experienced. There are many families and volunteers still waiting for a match in their area.

Share your skills with a special grandchild.
