

Bridging Generations Winter 2007

Help Promote Volunteer Grandparents to Your Friends!

We are looking for more volunteers and families to register into our program. If you know anyone that would like more information concerning the programs that are offered please ask them to contact us or check out our website:

Program Update:

VG was present at the Edmonds Healthy Kids Fair in Burnaby in October, a well attended event exposing our organization to many potential families. Veronica also participated in a radio interview aired on 107.9 fm concerning our valuable program. Thank you to Gail and Theresa for participating in an interview with the Burnaby Now. This positive media coverage has inspired other possible participants to contact me and get involved with our organization.

Thank you to all the participants who purchased or helped sell The Giving Day Hbc cards. We raised an additional \$260 for Volunteer Grandparents.

Bring Some Cheer and Creativity to Our Fundraising Event:

We are looking for volunteers to help at our Christmas Gift Wrap Fundraiser at Electronic Arts in Burnaby. We have been invited to set up a gift wrap booth on the following days: December 12th, 18th and 19th between 11-2. Anyone interested in helping to wrap presents and raise some money to support the VG organization is asked to contact Veronica. Thanks for your help!

Have a Festive Holiday Season!

On behalf of the Board of Directors, Dave Baspaly (ED) and Veronica Grossi we would all love to wish you a happy and festive Christmas Holiday. Please send us some of your festive holiday photos! We love receiving match updates.
