Shortbread Recipe (from Best of Bridge)

If you like to bake cookies, try this recipe! The secret is that you have to whip the mixture for 10 minutes, creating a perfect opportunity to connect with your grandchild/child.

Ingredients:

1 cup butter (do not use margarine)
1/2 cup icing sugar (powdered sugar)
1 1/2 cups flour

Instructions:

Cream butter and sugar. Add flour and beat for 10 minutes. Drop from small spoon onto cookie sheet. Decorate with maraschino cherry pieces if you wish. Bake at 350 F. for about 10-12 minutes, until bottoms are lightly browned.

Wishing you a very Merry Christmas and a Happy New Year!
