This July, Volunteer Grandparents will be hosting the launch of *Growing from the Roots*. Working in part with the Burnaby Public Library we've secured the McGill Branch Meeting Room on **Saturday, July 24th at 11:00am**. There will a story time and then a few excerpts from the book will be read. There will also be a coloring contest and of course, snacks and refreshments for all.

We'll finish up with presentations to contributors and sponsors. We hope to gain some exposure for our program and promote the benefits of intergenerational volunteering to the community. This event is open to the public, so if you know anyone that would like to attend feel free to invite them along.

We would love for all volunteers and families to come out and show their support! ◇

Take a picture that represents how your grandparent or grandchild has impacted your life, and you will be entered into a contest to win two **Playland One-Day PlayPasses**. Some of the picture entries will be displayed on the Volunteer Grandparents website. ◇
