

Busy Promoting our Organization

I would like to thank our Program Ambassadors and Volunteers who are helping to promote our organization in the community by attending events, distributing pamphlets and posters and spreading awareness by word of mouth.

Recently we attended the Healthy Kids Fair at Cameron Complex where we connected to families living in the area.

We thank our Volunteer Face Painter, Julia, for sharing her artistic talent!

Hold the Date...

Our AGM will be held on May 29th, 2019 at the Burnaby Village Museum. We will be sending out more information next month.
